Dear Mike,

It's Wednesday, 14.30 and I'm in the library. I'm waiting for Silou, an Indonesian friend. You know, I speak English with her all day. Our teacher, Lyn, says we must try to do everything in English.

I'm staying in a small room but it's cosy. In the mornings, we have lessons from 9.00 to 12.30. The food is tasty but not really healthy. Thank God, there are many different salads! I eat lots of them.

After lunch, we leave on excursions to Windsor or to London or we play sports and games on campus. Our teachers are always with us (is that good?). In the evenings, we organise parties. I think it's karaoke night tonight. I love this place! It's full of surprises.

Got to go now. Silou's here and we must find some information about the Tower of London. Are you having a good time? Sure you can't come to London just for a day?

Write soon,
Magda

Poll: School Uniforms Love or Hate? Vote now!

Uniforms are sometimes more expensive than our clothes. We spend a lot of money to buy something we wear only at school!
Silou, from Indonesia **3**

We're luckier than teenagers in other countries. We don't have to wear a uniform. School is nicer if you wear cool clothes. What do you think?
Spyros, from Greece **5**

Terrible idea! I want to look different, not the same with all my classmates. I find my clothes more comfortable. On No Uniform Day I think I'm a better student!
John, from Canada **1**

My classmates usually pick on me because I always wear cheaper clothes. My parents can't buy me whatever I like. So, I prefer my uniform. Everybody is the same at school.
Vanessa, from Japan **4**

I don't mind my uniform - it's comfortable and it's a symbol of our school. And of course, I don't have to worry about what to wear every morning.
Pete, from Australia **2**

The problem is that they look awful! Can we design our uniform and choose something trendy? What about a polo shirt, jeans and colourful trainers? They're more practical than those long skirts and ties.
