The Unreal Image

Do you care about what clothes you wear? Do you try to look good to please people? If your answer is **Yes** to any of these questions, read on.

Body image is a dangerous trap for teenagers. Young people are the victims of TV and advertisements and try to copy models and stars. But it is not necessary to wear fancy clothes for people to like you. If your friends are genuine, they won't care what you wear. And remember, what you see in the models is not real. It is all fantasy. If you saw the models before the make-up, you would think twice. Most photographs are the result of photo touch-up, wigs and expensive clothes.

Fantasy Role

POP

You just love yourself and are so trendy. No anorak and sweat-shirt for you! Everywhere you go, you are dressed to kill in the latest fashion. If you could, you would spend hours in front of a mirror. You could become a great piano player if you spent more time practising each day, but you are a bit lazy. You sometimes wish you had stronger fingers. You believe that if your fingers were stronger, you could play rap music on your keyboard. To become a success, you need to pull up your socks and get practising more.

POP

You're a sporty person who likes a challenge. You like to wear tracksuits and trainers, although you are not the sun-glasses type. If you were an actor or actress, you would be the Tom Cruise or Lara Croft-type who always loves adventure. You would be the one who goes in search of the Holy Grail which the Crusaders took from Constantinople in 1095. You say that if you became super-rich, you wouldn't change very much about your life as you would miss your friends and family. Your friends think you are talking through your hat and that you would change. It's in your character, they say.

POP

The main characteristic about you is that you wear your heart on your sleeve and everyone knows what you are feeling. You prefer to be in the background. If you were a fantasy character, you'd be the one at the back of the group where the cameras couldn't see you. If you could, you would prefer to just make music in a studio and not perform in front of an audience. If the group was very successful, you would buy yourself a house in the countryside to get away from the cameras. As for your appearance, no jeans for you; always a pair of cotton or woolen trousers

ROCK

You're a rocking rebel! If you were in a rock group like the Rolling Stones, you would sound brilliant and drive everyone wild, although I wouldn't like to be in your shoes when stardom comes! It's not as easy as it looks. You love to be different and if you had a wish, you would wear bright colourful clothes and a long scarf around your neck. You like to stand out. If you played in a band, all the fans would be able to see you easily and you would become more famous. If you became famous, you would move to Hollywood and live in Beverly Hills.
